

A scenic view of Loch Lomond with cyclists on a path. The path is a mix of gravel and dirt, lined with trees showing vibrant autumn foliage in shades of yellow and orange. Two cyclists are riding away from the camera on the path. The water of the loch is visible on the left, with a small boat in the distance. The sky is blue with some light clouds. The overall atmosphere is peaceful and scenic.

### Big Bike Revival

## Balloch, Loch Lomond

**BIG BIKE REVIVAL** events took place across Scotland this autumn, visiting Balloch on the shores of Loch Lomond on 18 October. Neglected bikes were brought back into service and their owners were given cycling instruction and advice. As well as a stunt cycling display, there were led-rides along the shores of the loch for riders of both newly-revived bikes and a selection of inclusive cycles.
