YOUR MEMBERSHIP

WHETHER IT'S FOR the thrill of having the wind in your hair or being out in the open in the fresh air, we all love to ride our bikes. It's fun, it's healthy, and it's environmentally friendly. Cycling UK needs your help to inspire people of all ages, backgrounds, and abilities to discover that joy of cycling. It might be encouraging people to rediscover their bikes, or campaigning for improved rights. By joining us, you give us a louder voice. We couldn't do it without you.

GEAR UP WITH CYCLECOVER TRAVEL INSURANCE

YOUR BIKE'S READY, your panniers are packed, and you've researched your route. Wherever you're pedalling this summer, make sure that you're fully prepared with Cycling UK Cyclecover Travel Insurance, supplied by Citybond Suretravel.

We believe that travel insurance should be a vital part of your planning to protect against unexpected illness or injury, loss or damage to your possessions, or delays to your trip. Some 'off the shelf' travel insurance may not cover the things you need as a cyclist abroad. Many discount providers consider cycle touring to be

a hazardous activity and could charge a higher premium – or not cover it at all. And even if they do provide cover, your bike may not be appropriately insured. Cycling UK Cyclecover Travel Insurance provides exclusive policies specifically designed with cyclists in mind. We offer high levels of cover designed to suit your needs, including:

- Bicycle cover up to £3,000.

- Replacement bicycle hire, roadside recovery, onward transportation, and cycle event fees.
- Repatriation for you and your cycle, trip cancellation, medical emergencies, personal baggage (including cycle accessories) and more.

Cycling UK members receive a 10% online discount. Visit cyclinguk.org/member-benefits to access the online quote facility and your promotional code.

Touring further afield? Longer term, multi-country cover is now also available for Cycling UK members – please call for a quote on **0844 736 8458****.

RIDE WITH PEACE OF MIND

- You're covered by £10m third-party cycling insurance, which unlike others includes member-against-member claims and sportives.
- Cycling UK's Incident Line (provided by Slater + Gordon Lawyers) is there for you in the event of an accident. Unlike other personal injury lawyers, members will receive 100% of their claim. Cycling UK's Incident Line has won £45m in compensation for our members since 2002.
